HAESUNG CONSTRUCTION, INC.

Our Company

B. Introduction

Our company, established in October 2011, is a corporation in the Georgia of United States, and there are executives and employees with various experiences in building and plant construction for up to 25 years.

In the meantime, we have been working in the United States or Mexico(subsidiary) based on various construction experiences and know-how in Plant Construction (Steel Structure, Wall and/or Roofing, Finishing Work, ETC.), Mechanical System (Machine Installation, Piping and/or Plumbing, ETC.), Logistics Automation Warehouse and ETC. Currently, in our business part, we are faithfully carrying out the project by complying with the construction period along with the technical requirements required by our customers. We also consider environmental, safety and quality requirements as very important factors. We will do our best to become a win-win partner that contributes to the future of our customers.
